## FUNDRAISING

This year, our 70th year, Trinity sets out with a tall fundraising goal of \$70,000. With your support, we can continue to share the love of Jesus Christ to our students. We have several key fundraising efforts planned for the school year and will share our progress in reaching our fundraising goal. The money from these fundraisers will directly help enhance the Trinity student experience outside of what tuition covers. Sharing your child's fundraising efforts with friends and family is a huge help. Thank you for your continued support!

## SERVICE HOURS

Listed in this section are ways for financial aid recipients to complete required service hours. All service hours must be recorded in the school office. Families are highly encouraged to serve at one of the Campus Beautification Day events.
